Policy Memorandum

To:

Local Workforce Center Staff

From:

David Dempsey, Deputy Director

Date:

April 26, 2016

Subject:

WIOA "Youth Requiring Additional Assistance Barrier" Policy

Purpose: To establish and notify Local Workforce Development Board, Workforce Area Administration & staff, and WIOA partners of the local requirements pertaining to the use of the Youth Who Requires Additional Assistance Barrier.

Background: Under the Workforce Innovation and Opportunity Act (WIOA) law and regulations, the state or local workforce areas are to develop and define a Youth policy for "An Individual Who Requires Additional Assistance." In Arkansas' state plan, it states that this policy will be developed by each local area and is required to be included in the local plan. Said policy should be specific to the local area of service that applies to the predominant population of youth within service boundaries. This policy is used to enroll youth who may not have other barriers described in WIOA eligibility law and regulations. Along with the development of this policy, local areas are required to include acceptable eligibility documentation and criteria to be used by one-stop center staff in determining eligibility for youth clients. For clarity purposes and to ensure that this policy is clear and aligned with eligibility criteria for WIOA, WIOA eligibility criteria is also listed and described in this policy for staff reference.

Policy: The Workforce Development Board of Southeast Arkansas defines the "Youth Requiring Additional Assistance Barrier" in two categories separately for OSY & ISY. Eligible youth must meet the following criteria:

ISY 129 (a) (1) (C) (iv) (VII); 681.220 (d) (7)

An individual who requires additional assistance to complete an educational program or to secure or hold employment

- 1. Attending School, as defined by state law.
- 2. Not younger than 14 and not older than 21 at the time of program enrollment.
- 3. Be a low-income individual
- 4. AND have at least one of the barriers below:
 - 1. Deficient in basic literacy skills
 - 2. English Language Learner
 - 3. Offender
 - 4. Homeless Individual
 - 5. Pregnant or Parenting
 - 6. An Individual with a Disability
 - An individual who requires additional assistance to complete an educational program or to secure or hold employment [WIOA 129(a)(1)(C)(iv)(VII); 20 CFR 681.220(d)((7)).

Limitation: Not more than 5% of ISY served may possess this barrier. This limitation is only based on participants who enroll on or after July 1, 2015. [WIOA 129(a)(3)(B); TEGL 8-15(5)]. The 5% is based on a program year.

OSY 129 (a) (1) (B) (iii) (VIII); 681.210 (c) (8)

A low-income invidivual who requires additional assistance to enter or complete an educational program or to secure or hold employment.

- 1. Not Attending Any School, as defined by state law.
- 2. Not younger than 16 and not older than 24 at the time of program enrollment.
- 3. AND have at least one of the barriers below:
 - 1. School Drop-out
 - 2. Within the age of compulsory school attendance, but has not attended school for at least the most recent complete school year calendar quarter.
 - Has attained a secondary school diploma/GED, and is low-income and is basic skills deficient or English language learner
 - 4. Subject to the juvenile or adult justice system
 - 5. Homeless Individual/Runway/Foster Care
 - 6. Pregnant or Parenting
 - 7. An Individual with a Disability
 - A low-income individual who requires additional assistance to enter or complete an educational program or to secure or hold employment [WIOA 129(a)(1)(B)(iii)(VIII); 20 CFR 681.210(c)(8)].

Limitation: WIOA allows that not more than 5% of all youth, assisted during a program year, who are not low-income may be served. The 5% may be out-of-school youth who fall into the two categories:

- 1. Has attained a secondary school diploma/GED, are basic skills deficient, or an English language learner, or
- Those who require additional assistance to enter or complete an educational program or to secure or hold employment.

(as described in the ADWS Draft Eligibility/Documentation Policy), or 5% of in-school youth, or a combination of both. However, because not all OSY are required to be low-income, the 5% low-income exception is calculated based on the 5% of youth enrolled who are required to meet the low-income criteria.

Youth Who Require Additional Assistance ISY & OSY Explanations:

Justification
According to current and past unemployment rates and statistics posted from discoverarkansas.net through the ADWS, Southeast Arkansas consistently has had high unemployment rates. In this population, OSY ages 16-24 make up a substantial portion. The unemployment rate in March 2016 for SE is 5.1. Source: Discoverarkansas.net Research shows that workers who are unemployed as young adults earn lower wages for many years following their period of unemployment due to forgone work experience and missed opportunities to develop skills. Building on this research, we estimate that the nearly 1 million young Americans who experienced long-term unemployment during the worst of the recession will lose more than \$20 billion in earnings over the next 10 years. This equates to about \$22,000 per person. The economic consequences of these lost wages to individuals and to the broader economy are serious. These young Americans—referred to as Millennials—will increasingly be forced to delay moving out of their parents' homes, struggle to make payments on ballooning student-loan debt, and fail to save adequately for retirement. As a consequence of the prolonged unemployment of Millennials, the U.S. economy will feel the loss of aggregate demand in the form of slower growth and less job creation. Source: https://www.americanprogress.org/issues/labor/report/2013/04/05/59428/the-high-cast-of-worth-unemployment/ Youth enrolled in the WIOA program will be provided with the resources and tools needed to gain valuable pre-employment skills. Youth also will be given opportunities to participate in work experiences, internships, and job shadowing that will prepare them for the world of work. These opportunities will lead to substantial unsubsidized employment through connections between WIOA programs and local employers, thus aiding in decreasing the unemployment rate for youth.
Arkansas has defined "high poverty area" as census tracts where 30% or more of the households are at or below the poverty line, as determined by the most recent United States Census Bureau's American Community Survey. Attachment A provides a current list and map outlining Arkansas' census tracts meeting this definition. The U.S. Census Bureau provides an individual address search tool to find the census tract number that corresponds with an address. This tool is located on the middle right side of the screen at: http://factfinder.census.gov/faces/nav/jsf/pages/index.xhtml. Note: Census tracts may change with each ten year census. The most recent census tracts were designated in 2013. Source: US Census Bureau Based on the US Census data from above, Individuals who reside in these area are subject to lower living conditions, lack of resources and opportunities available to become self-sufficient in comparison to the other counties in the state. WIOA services will provide intensive career services and training opportunities to these individuals so that they will be able to secure employment through educational opportunities, work experiences, and more, thus strengthening and stabilizing the economy in these areas.
Basic Skills Deficient — WIOA section 3 (5) defines "basic skills deficient" as an individual: • Who is a youth, that the individual has English reading, writing, or computing skills at or below the 8 th grade level on a generally accepted standardized test; or • Who is a youth or adult that the individual is unable to compute or solve problems, or read, write, or speak English, at a level necessary to function on the job, in the individual's family, or in society. Source WIOA Public Law: 113-128

Substance Abuse Problems

Several sources report that substance abuse amongst teenagers, youth and young adults are a rising epidimic. Substance abuse including alcohol, illegal drugs, and prescription drugs are a problem nationwide, but more specifically a growing concern amongst employers in SE AR. Employers report constistenty that they are unable to find good employees due to issues with substance abuse or applicants not being able to pass drug screenings. Through WIOA services, youth who identify subtance abuse as a barrier to employment, will be provided with the resources, referrals, and support to address the problem. WIOA partners with many employers and drug/alcohol rehabiliation centers that provide services to substance abusers. Referrals and follow-ups to these types of centers will be made to participants who fall into this category; with the goal of addressing the barrier to securing or retaining employment, thus assisting more people enter or re-enter into the labor market.

DIVISION OF WORKFORCE SERVICES ISSUANCE NUMBER PY 21-01

July 1, 2021

FROM: Charisse Childers, Ph.D., Director

TO: Local Workforce Development Area Administrators/Service Providers

SUBJECT: Arkansas High-poverty areas from 2014-2019 American Community Survey

- 1. **Purpose:** To provide local workforce development areas and service providers with a list the high-poverty areas in Arkansas, for the purpose of documenting low-income youth.
- 2. General Information: A youth who lives in a high-poverty area is automatically considered to be a low-income individual. A high-poverty area is a Census tract, a county, a set of contiguous Census tracts, an American Indian Reservation, Oklahoma Tribal Statistical Area, Alaska Native Village Statistical Area or Alaska Native Regional Corporation Area, Native Hawaiian Homeland Area, or other tribal land defined by the Secretary in guidance that has a poverty rate of at least 25 percent, as set by the American Community Survey 5-year data [WIOA §129(a)(2); 20 CFR 68.260].

Below is the list of Arkansas counties and census tracts that meets such low-income guidelines using the 2015-2019 American Community Survey 5-Year data. When the county is given, the entire county is low-income. In these cases, specific census tracts are also listed to assist Local WDBs in determining the potential areas of greatest need. Data for other high poverty areas may be found in the American Community Survey 5-Year data.

The census tract number for a particular address can be found by going to censusreporter.org/locate. Enter the address, and much information about the address will be displayed, including the Census Tract.
